## MINIATURES

### BERNICE CREAM (Alleman 12) 211 E

This is a cream sport of Bernice with the same ruffling and has a faint lavender throat. We have had reports that it does better for some growers than Bernice. It will hold its own on the show table and make a good cut flower.

L \$ 2.00      M \$1.50      S \$1.00

### BERNICE RED (Alleman 13) 201 E (Sport of Bernice)

We found this sport of Bernice the same year that Bernice Cream showed up. It is the same ruffled white like Bernice only with a red blotch instead of a rose blotch. Growth and health are the same as Bernice.

L \$2.00      M \$1.50      S \$1.00

### BLAST (Alleman 20) 258 E (Black Lash X Shadow Dancer) M-95

Just barely a 200 size glad, Blast will hold 8 florets open at once. It is a tall growing dark red and has a nice cutting stem. It will show and is a tall growing cut flower with lots of bulblets.

L \$4.00      M \$3.00      S \$2.00

### BLUE BIRD (Baerman 68) 287 E

A miniature deep blue with a pure white throat. Even though this glad has been around for quite some time, it still grows good and has plenty of bulblets. It is still one of the best blues.

M \$1.50      S \$1.00

### BRENDA JO (Alleman 98) 247 M (Amy Beth X Gigi)

This glad is named for our daughter Brenda. It is a rich deep pink with a large white throat. It will hold at least 8 heavily ruffled florets open. This is one of the best glads that we grow and will make good show spikes down the row.

L \$2.00      M \$1.50      S \$1.00

### CAROLINA (Alleman 10) 268 VE (Fire Frenzy X Black Cherry) J-17

This is a beautiful ruffled dark rose that is a very early bloomer. It will hold 7 or 8 florets open at once of 22 buds. This is one of the first to bloom for us every year and it is a very healthy glad which makes a nice cut flower.

L \$2.00      M \$1.50      S \$1.00

DREAM RUFFLES (Alleman 18) 210 E (Brenda Jo X Cream De Mint) (L-84)

For us this is a 200 cream miniature glad with very good ruffling and substance. The ruffling is just like Mikayla, but it grows taller and is earlier for us. You might have to take both varieties in the house but there is a difference.

L \$4.00          M \$3.00          S \$2.00

ELLA RAYE (Alleman 20) 225 E    M-83

This is a good showy bright orange and yellow miniature glad that holds at least 8 florets open at once and usually in perfect placement. It was the winner of the Ed Squires award this year at the Western International Show in Missoula. This is a great little show glad and was named after a granddaughter of ours.

L \$5.00                  M \$4.00          S \$3.00

ENCHANTED (Madeson 08) E (Scrimshaw X Janus)

This is a medium brown with a little salmon in it with a bright yellow throat. It has good ruffling and holds 8 florets open at once. It is an early variety with a nice cutting stem.

Not available, increasing stock

FIRE FRENZY (Madeson 99) 256 E

A beautiful bright velvet red glad that has a lighter glow in the center of the upper petals. It is heavily ruffled and has a waxy substance. It holds 10 florets open and is a great hybridizer with many seedlings that have been introduced from it.

M \$1.50          S \$1.00

GEMSTAR (Alleman 16) 233 E (Summer Love X Cantina) N-72

A glad that blooms very early that is a light salmon with a light yellow throat. Gemstar has a long flower head and long cutting stems and will hold at least 8 florets open at once.

Not available, increasing stock

ICE FIRE (Madeson 98) 201 M (Muriel X Artistry)

A very healthy ruffled white with uniform red markings on all of the petals. Will hold 8 of 18 florets open at once. This ruffled beauty is for decorative use and will produce three spikes per bulb.

L \$2.00          M \$1.50          S\$1.00

JIVE (Alleman 19) 211 E (Fire Frenzy X Sensation) N-28

A beautiful ruffled cream glad with a purple dart in the throat on most of the petals. We have won a 3-spike seedling champion with this one. We have seen some beautiful seedlings from this glad using it as a pollen parent.

Not available, increasing stock.

JO (Alleman 10) 263 M (Brenda Jo X Fire Frenzy) J-154

This little glad has made a name for itself already. It is a medium to light rose with a nice cutting stem. Jo will hold 8 or 9 florets open at once on a nice spike of 28 to 31 buds. It has won several seedling champs and won the seedling trials in Great Brittan in 2009. Don't miss out on this one it's one of our best ever.

L \$2.00      M \$1.50      S \$1.00

LEXI LOU (Alleman 12) 243 E N-77 (J Denise X Breda Jo)

This glad is a light pink with a creamy white throat. Named for our Aadopted@ granddaughter. With parents like this has it is no wonder that it is such a good glad. Holds 8 open and makes a good show flower and cut flower. It is a great little glad and was one of the best in 2013. They bloom very consistent right down the row.

L \$2.00      M \$1.50      S \$1.00      100 bulblets \$6.00

LITTLE SUZI (Alleman 04) 245 M (Brenda Jo X Trista)

This one is a medium shade of pink with a creamy yellow throat. It has very good ruffling and substance. Little Suzie will hold 8 florets open on a long flower head and has a nice long, cutting stem. It will make a fine cut flower and can show also.

Not available, increasing stock

MIKAYLA (Alleman 15) 202 M (Everafter X Impression) N-67

This has been one of our favorites since we saw it as a first bloom seedling. This light green glad has it all, heavy substance, ruffling, beauty and holds plenty of florets open at once. It should make a good show glad as it has won seedling championships.

L \$2.00      M \$1.50      S \$1.00

This is a two tone rose glad that blooms very early. The upper petals are light rose and the lower petals are darker rose. It will hold 8 to 10 florets open at once, has a ling flower head with long cutting stems.

L \$4.00      M \$3.00      S \$2.00

PREVIEW (Alleman 07) 212 VE (Ambrosia X Fire Frenzy) (J-16)

Ambrosia has produced some very beautiful seedlings and this one is no different. It is a ruffled light yellow with recessive stamens which adds to its beauty. This one will hold 8 florets open at one with nice long flower heads and good long stems to cut. We hope this one is a preview of lots of good miniature varieties yet to come. Preview makes a nice show glad and adds beauty to mixed bunches of cut flowers or arrangements.
