## GENERAL LISTING

### LARGE

AARALYN (Alleman 07) 467 M (Daydreamer X (Celebrity X Artistry) (J-239)

Named for our Granddaughter, this is a beautifully ruffled dark rose with a cream throat that can hold 8 to 10 florets open at once. Aaralyn is a fast propagator, has nice long flower heads and long cutting stems. It is an easy one to dress and blooms very consistently down the row. It is a nice cut flower and a very good show glad.

L \$2.00      M \$1.50      S \$1.00

ABSOLUTE (Alleman/Hunt 09) 457 ML AJ - 207 (Shadow Dancer X Lyle=s 99-149)

This is the first to be introduced from this cross. It was one of the most interesting crosses to see bloom because they all had good color and lots of ruffles. It is a nice two-toned ruffled red with darker red lip petals. It has lots of big bulblets that germinate easily making it a good cut flower.

L \$2.00      M \$1.50      S \$1.00

ADMIRAL USHAKOV (A Baramov) 485 EM

A very beautiful light blue glad that can make a very impressive spike if given a little room. We have grown this glad for several years and it has always done good for us. We bloomed some very good show spikes this past season. It grows straight and is a very good propagator.

L \$3.00      M \$2.00      S \$1.50

ALPINE SNOW (Alleman 21) 401 M (Lavender Dawn X Forever) P-24

A nice white with a cream throat that has some ruffing and the florets are needle pointed. It grows nice and straight and has nice cutting stems. Alpine Snow makes a nice cut flower for us.

L \$3.50      M \$3.00      S \$2.00

ART SHOW (Madeson 03) 461 M (Peppermint Stick X Abundance)

This is an exquisite heavily ruffled, light rosy-lavender blush with a rose red throat blotch. It will hold 10 or more florets open with 8 buds in color. It is a great glad for show or cutting.

L \$2.00      M \$1.50

CEDAR WAX (Madeson 14) 493 M

This is a very ruffled light brown cedar colored glad with a yellow throat. It holds 7 florets open at once on a 24" flower head. This is a very beautiful addition to the brown class.

L \$2.00      M \$1.50      S \$1.00

CENTERPIECE (Kochevar 84) 325 LM

A rich medium salmon-orange with a small red feather in its light-yellow throat. A great color combination that makes a good glad for cutting or for show.

L \$2.00      M \$1.50      S \$1.00

CHANCE (Alleman 13) 375 E (Rhythm X Ocean Ice)

This is a beautiful ruffled medium lavender with a white throat. It will hold 9 florets open at once with 5 buds in color. This glad will make a nice basket and has nice cutting stems.

L \$2.00      M \$1.50      S \$1.00

CHOIRS (Alleman 13) 315 M (Melissa Nicole X New Millennium)

Choirs is a tall growing light yellow glad with bright red blotches on the lower florets. We have heard good comments on this variety from those who have tried it. It will hold 10 florets open at once with 7 buds in color. It has a nice cutting stem and can make a show glad.

L \$2.00      M \$1.50      S \$1.00

COMPOSED (Madeson 01) 345 E [Devotion X (Divinity X Tribute)]

A beautiful pink with a creamy white throat and very heavy ruffling and substance. This glad has 22 buds and holds open 3 or more florets. It's a good grower with all spikes uniform down the row and is good for cutting or for show. It produces lots of bulblets and with its parentage will be good for hybridizing.

L \$2.00      M \$1.50      S \$1.00

CORDOBA (Alleman 21) 415 E (Tom Cat X Julius Berreth seedling 2894-2)

Cordoba is a tri-colored glad that is yellow, with white in the upper petals and a bright red splash on the lower petals and a little red on some of the upper petals. It has good ruffling and substance and is also needle pointed. For us this glad blooms early and holds at least 8 florets open on a nice showy spike.

L \$3.50      M \$3.00      S \$2.00

COURTNEY (Alleman 16) 445 E (P-14)

Courtney is a glad named after our daughter in law who likes pink. This is a very ruffled pink glad with a light yellow throat. It will hold 10 florets open at once of 25 buds on a nice flower head. It has won seedling championship every time it has been shown.

L \$2.50      M \$2.00      S \$1.50

CURTSY (Alleman 22) 443 EM (Lady Lucille X Patty Gay) N-11

Curtsy is a light ruffled pink with a pure white throat and a white line going through the middle of the lower petals. It sets seed quite easy and we have seen some good seedlings from it. For us it has long stems and a good flowerhead and makes a nice cut flower.

L \$5.00      M 4.00      S \$3.00

DESIGNER (Alleman 2011) 493 M (Trev X Chumbawumba)

For us this is a ruffled tan glad with a pure white throat. It makes a good flowerhead with 8 florets open at once. For some the foliage may have brown in or look unhealthy, but that is the way it grows. It makes a nice cut flower for us.

L \$2.00      M \$1.50      S \$1.00

DORIS BOWEN (Bowen 17) 455 M (Seedling X Tampico) (XM-TPO-5)

This glad is named after Ron's mother. It is a beautiful ruffled red with white on the lower petals and a big red blotch on the white. This glad holds 7 to 8 florets open at once. It is healthy and propagates good. We are seeing some good seedlings from this glad.

L \$ 2.00      M \$ 1.50      S \$ 1.00

DOT (Bowen 18) 435 M (Pulchritude X Open) (PKT-O-11)

This is a light ruffled pink with a small pink rosy dot in the throat. It is a different colored pink than most glads and makes a fine cut flower.

L \$2.00      M \$1.50      S \$1.00

ELI (Alleman 19) 396 E P-32

Named after a grandson, this glad is a tall growing plum smoky with salmon highlights mixed in. It has a nice cutting stem and will make a good cut flower. It makes nice bulbs and is a fast propagator.

L \$2.00      M \$1.50      S \$1.00

ENTICE (Alleman 19) 473 M (Impression X Magic Moment) N-58

A very nice ruffled glad with knuckling in the throat. It is a pink lavender with a light yellow throat. It can make a very nice spike with 8 open florets in formal placement.

L \$2.00      M \$1.50      S \$1.00

FLOOR SHOW (Madeson 01) 345 LM (Artistry X Muriel)

This is a beautiful combination of pink, cream and red with lots of ruffles. It has pink upper petals and a couple of red blotches on cream lower petals. A heavily ruffles variety that's just the right size, it makes a beautiful basket or vase. It makes a nice cut flower holding 8 or 9 florets open on a 27" flowerhead.

L \$2.00      M \$1.50      S \$1.00

GEE (Alleman 20) 279 M (Chandelle Rose X Aaralyn) Q-2

Gee is another granddaughters nick name. This is a beautiful purple with a white throat that can hold 9 florets open on a nice show flower. This glad also won the Ed Squires award a few years ago. It is a tall grower that has nice cutting stems.

L \$4.00      M \$3.00      \$2.00

GRACEFUL (Alleman 21) 443 M [Composed X (seedling X Magic Moment)] L-121

We sent this one to John Pilbeam in England a couple of times because this is a glad that he really liked. Graceful is a light pink with white lower petals and is very nicely ruffled, it fits the name very well. It holds at least 8 florets open at once and grows nice and straight. We have used this glad for hybridizing some and have some very promising seedlings for it.

L \$3.50      M \$2.50      S \$2.00

GREENBACK (Euer 97) M 302

This is a nice light green that will hold 7 or 8 florets open at once on a nice flower head. It has a nice cutting stem and is healthy.

L \$2.00      M \$1.50      S \$1.00

ISLAND GIRL (Powys Lybbe 13) 333 M

This is a nice ruffled salmon glad with darker smoky salmon on the lip petals. It grows nice and straight and produces plenty of bulblets. It makes a nice cut flower and is different than most of the salmon glads.

L \$2.00    M \$1.50    S \$1.00

JILLY (Alleman 99) 345 E (Centerpiece X Socialite)

A dark ruffled pink with a pure white throat. It holds 8 florets open with 6 buds in color. It makes a good show flower and has a good stem for cutting. This beauty is a favorite of ours and we can cut every one down the row. It is also a good propagator. We named this one for our daughter Jill. It makes a very beautiful basket which is a real eye catcher and we can sell every spike we can cut.

L \$2.00    M \$1.50    S \$1.00

KARLA (Vaclavik 11) 485 M

This is the best blue glad that we have grown and it can produce nice long heads with plenty of florets open. For us it blooms late midseason and can make a nice show spike.

L \$2.00    M \$1.50    S \$1.00

KENDRA (Bowen 21) 473 EM (Pulchritude X Open) PK-TO-7

This glad is named after a niece of Ron Bowen who used to help him plant his glads and she passed away from brain cancer at the age of 20. Kendra is a tall bright rose lavender glad with a yellow lip petal that has a bright red blotch in it. It holds 8 to 9 florets open at once and has a nice slender cutting stem. It propagates very good and makes nice bulbs.

L \$3.00    M \$2.50    S \$2.00

LEGACY (Alleman 10) 445 (Clarence=s Choice X Lady Lucile)

Legacy is a glad that can hold its own on the show table. This pink and white one has the best qualities of both of its parents. Legacy will hold 16 florets open in the field. It has 28 to 30 buds and good straight heads that require little dressing for the show table.

L \$2.00    M \$1.50    S \$1.00

LILAC CLOUD (Bowen 18) 462 ML (Raspberry Swirl X Tampico) (RS-TPO-38)

ROYALTY ROSE (Berreth 96) 465 M [(Seedling X Pink Prospector) X Candyman]

This is a two-tone rose with lighter upper petals and darker lower petals. It has been a seedling champion. It holds 8 florets open. It makes beautiful baskets and is a good cut flower.

L \$2.00      M \$1.50      S \$1.00

SALMON GLORY (Bowen 21) 434 EM (Boy O Boy X Tampico) BOB-TPO-4

This is a beautiful self colored salmon glad some ruffling and knuckling in the throat. Salmon Glory; grows nice and straight with nice straight stem. It propagates very good.

L \$3.00      M \$2.50      S \$2.00

SEA FOAM (Madeson 02) 300 M (Muriel X White Ice)

Sea Foam is one of the best white glad's that we have grown. It has it all: it is beautiful, heavy ruffling and substance, holds 10 florets open of 22 buds on a nice flower head, and is always formal with a good long cutting stem. It can hold its own on the show table and has produces some nice seedlings.

L \$2.00      M \$1.50      S \$1.00

SCARLET LADY (Alleman 21) 437 M (Legacy X Patty Gay) Q-49

One of the brightest colors of glads that we grow. This is a bright scarlet red glad with a pure white throat and will hold 8 or more florets open on a nice long and formal head.

L \$3.00      M \$2.50      S \$2.00

TIM (Alleman 17) E 456 (Peerless X Cardinal) M-39

This is a beautiful ruffled dark red self-colored glad. We named it after a good friend of ours whose favorite color of glads was red. Tim has a 30" flower head and holds 8 to 9 florets open at once. It is a good propagator and also sets seed very easy.

L \$2.00      M \$1.50      S \$1.00

TIMESCAPE (Madeson 03) 455 M (Magic Moment X Chandelle Rose)

This is Lyle's seedling #98-169 which has done very well for those who have grown it. It is a nicely ruffled right red with a pure white throat. This one caught our attention when we first saw it while visiting Lyle. It will old 10 open florets on a stretchy 36-inch flower head. It makes an excellent show flower with nice long cutting stems.

L \$2.00      M \$1.50      S \$1.00

TOM CAT (Alleman 10) 425 M

We named this one Tom Cat because of its will to survive. When we had a mix, this seedling always showed up, so we selected it his way. This is a beautiful ruffled orange glad with a yellow throat and a red blotch in it. It will hold 9 florets open at once and makes a nice cut flower with nice slender stems. This one looks good in an arrangement.

L \$2.00    M \$1.50    S \$1.00

L \$5.00    M \$4.00    S \$3.00

WOW (Bowen 19) 423 ML (Drop of Honey X Jester) DOH-JS-2

We were impressed with this glad the very first time that we saw it bloom. It is a bright light orange with darker orange on the lip petal and a yellow blotch. This is a nice tall grower that holds plenty of florets open on a 30" flowerhead. This is a fun glad to cross with and we are seeing some very beautiful seedlings from it.

L \$3.00    M \$2.00    S \$1.50

## MINIATURES

BERNICE CREAM (Alleman 12) 211 E

This is a cream sport of Bernice with the same ruffling and has a faint lavender throat. We have had reports that it does better for some growers than Bernice. It will hold its own on the show table and make a good cut flower.

L \$ 2.00    M \$1.50    S \$1.00

BERNICE RED (Alleman 13) 201 E (Sport of Bernice)

We found this sport of Bernice the same year that Bernice Cream showed up. It is the same ruffled white like Bernice only with a red blotch instead of a rose blotch. Growth and health are the same as Bernice.

L \$2.00    M \$1.50    S \$1.00

BLUE BIRD (Baerman 68) 287 E

A miniature deep blue with a pure white throat. Even though this glad has been around for quite some time, it still grows good and has plenty of bulblets. It is still one of the best blues.

M \$1.50    S \$1.00

BRENDA JO (Alleman 98) 247 M (Amy Beth X Gigi)

This glad is named for our daughter Brenda. It is a rich deep pink with a large white throat. It will hold at least 8 heavily ruffled florets open. This is one of the best glads that we grow and will make good show spikes down the row.

L \$2.00    M \$1.50    S \$1.00

CAROLINA (Alleman 10) 268 VE (Fire Frenzy X Black Cherry) J-17

This is a beautiful ruffled dark rose that is a very early bloomer. It will hold 7 or 8 florets open at once of 22 buds. This is one of the first to bloom for us every year and it is a very healthy glad which makes a nice cut flower.

L \$2.00      M \$1.50      S \$1.00

DASHING (Alleman 06) 213 E (Summer Love X Fire Frenzy)

This is a yellow glad with a bright cherry-red lip blotch. The upper petals are salmon. It will hold 7 florets open.

L \$2.00      M \$1.50      S \$1.00

DREAM RUFFLES (Alleman 18) 210 E (Brenda Jo X Cream De Mint) (L-84)

For us this is a 200 cream miniature glad with very good ruffling and substance. The ruffling is just like Mikayla, but it grows taller and is earlier for us. You might have to take both varieties in the house but there is a difference.

L \$2.50      M \$2.00      S \$1.50

ELLA RAYE (Alleman 20) 225 E M-83

This is a good showy bright orange and yellow miniature glad that holds at least 8 florets open at once and usually in perfect placement. It was the winner of the Ed Squires award this year at the Western International Show in Missoula. This is a great little show glad and was named after a granddaughter of ours.

L \$3.00      M \$2.50      S \$2.00

ICE FIRE (Madeson 98) 201 M (Muriel X Artistry)

A very healthy ruffled white with uniform red markings on all of the petals. Will hold 8 of 18 florets open at once. This ruffled beauty is for decorative use and will produce three spikes per bulb.

L \$2.00      M \$1.50      S \$1.00

JO (Alleman 10) 263 M (Brenda Jo X Fire Frenzy) J-154

This little glad has made a name for itself already. It is a medium to light rose with a nice cutting stem. Jo will hold 8 or 9 florets open at once on a nice spike of 28 to 31 buds. It has won several seedling champs and won the seedling trials in Great Brittan in 2009. Don't miss out on this one it's one of our best ever.

L \$2.00      M \$1.50      S \$1.00

LEXI LOU (Alleman 12) 243 E N-77 (J Denise X Breda Jo)

This glad is a light pink with a creamy white throat. Named for our Aadopted granddaughter. With parents like this has it is no wonder that it is such a good glad. Holds 8 open and makes a good show flower and cut flower. It is a great little glad and was one of the best in 2013. They bloom very consistent right down the row.

L \$2.00      M \$1.50      S \$1.00

MIKAYLA (Alleman 15) 202 M (Everafter X Impression) N-67

This has been one of our favorites since we saw it as a first bloom seedling. This light green glad has it all, heavy substance, ruffling, beauty and holds plenty of florets open at once. It should make a good show glad as it has won seedling championships.

L \$2.00      M \$1.50      S \$1.00

RASPBERRY KISSES (Alleman 17) EM 211(Brenda Jo X Sensation) M-62

For us this is a ruffled cream glad with a light yellow throat and raspberry blotches on the lower petals. It easily holds 8 or more florets open at once and has a nice flowerhead.

L \$2.00      M \$1.50      S \$1.00

RHYTHM (Madeson 01) 279 E (Little Violet X (Violetta X Muriel)

This is a nice addition to the purple class. It is a dark purple with a large white throat and all spikes bloom alike. It has nice cutting stems and a good head that will hold 8 florets open at once on a nice stretchy flower head of 24 buds, it makes a great show or cut flower.

L \$2.00      M \$1.50      S \$1.00

SENSATION (Madison 01) 279 M (Rajah X Fire Frenzy)

This is a gorgeous two-tone purple with darker purple lower petals and a reverse lavender blotch on the upper petals. It has beautiful ruffling and excellent substance, it brings a whole new color to the purple class. It makes a nice stretchy spike holding 10 of 24 buds open at once.
